IVF CYCLE PROGRAM

Our IVF Cycle Program extends the impact of our twice-yearly grants. Recipients receive a \$5,000 Fertility Friends Foundation grant, and those treated at one of our 11 partner clinics also get additional IVF cycle support directly from the clinic.

In 2025, this program supported 15 recipients, with partner clinics contributing an estimated \$150,000 in added services, greatly expanding the care available to our community.

Support Program & Educational Resources

Our Support Program provides grant recipients with a safe, confidential space for emotional, physical, and mental well-being. Through expert Q&A sessions, community support, and resources addressing fertility, reproductive health, and related stress, we aim to empower individuals and couples, helping them feel informed, supported, and less alone on their fertility journey.
